Hi Marty,

Can you add the attached to the zip files and check to make sure that the highlighted text pertains to ag.

Thanks!

I have updated the zipfile with the 5 letters that NWEA referred to in their Ag comments. I am assuming that these are the letters you mean?

Thanks Marty for helping me locate the email. Two questions.

1. Are the letters provided by NWEA prior to the comment period and that address Ag included in the Zip file?
2. Can the zip file be sent out to state agencies?

Hey you three,

Attached is a zip file containing the letters with relevant ag comments. Some are of higher importance (more relevant, more information, better citations, etc.) such as #52 (NWEA), #55 (Oregon Nurseries), #70 (Rogue Riverkeeper), and #73 (Oregon Farm Bureau). I did not highlight NWEA's letter because I would have ended up highlighting almost everything. Instead, I included an outline/summary of key points of NWEA's letter in the zipfile. In addition, I included another letter that NWEA cited, the Declaration of Jonathan Rhodes.

Let me know if you have any questions.

Marty
